## Punctuality Reminder

## Bikes and Scooters

Getting to school on a bike or scooter can be fun but can children please get off these before they enter the school grounds and push them to the 'parking area'. We have had a number of accidents in the past with both other children and adults getting hurt. We thank you for your cooperation in this matter.

We always act to ensure the school remains a safe place for children, staff and all other members of our community and therefore we ask that parents/carers please talk to staff in a polite manner. On a couple of occasions recently staff have been spoken to in unacceptable way leading to unnecessary upset. As a school, we always try to sort out any problems or issues in a respectful, professional manner.
