If your child is late for school, they often feel unsettled for the rest of the day. They may have missed important teaching from their class teacher.

**Every minute lost in learning can not be retrieved!**

**Before the school day begins and at the end of the day children are the responsibility of their parents. There have been several incidents of rough play during these times. We ask that children remain with their parents during these times and do not play on any equipment or run around the playground.**

**The playground can become very crowded and injuries can occur.**
