MILK BOTTLE IGLOO

Reception would like to create a 'Milk Bottle Igloo,' as part of their work about winter and the other seasons. The children will be able to use it for role play and story telling and to inspire their writing.

If you have any **4 pint plastic milk bottles**, reception would be very grateful to receive them. They will need several hundred to create their igloo.

Mission Statement Awards

Well done to Emily Marshall

Well done to Annalise Hughes

This special award is given to children who have demonstrated a clear understanding of our Mission Statement in the way they treated others.

Sharing our Faith

This Sunday, we listen to a reading from St Matthew's Gospel about the people living in darkness and seeing a great light. We often talk

about Jesus being a light for the world. We talk to the children about being a light to others by their kindness, their joy and their love.

We pray for the Church in the world: that as it spreads the message of Jesus, the light of the world, it may work to bring comfort and help to those who are in need.

God of hope, share your light with all your children, as we try to help others who are in need. Amen.

Parking Outside School

The zigzag lines outside school are a safety feature which ensures there is always clear access to school for emergency vehicles such as ambulances and fire engines.

Parking is not permitted on these lines at any time by anyone.

Recently, there has been an increase in cars being parked on these lines at the start and end of each school day.

Please do not park on the zigzag lines at any time.

Thank you to Class 4 for their wonderful assembly on Friday morning. Thank you to Mr Barr and Mrs Games for getting the children ready.

Thank you to all the parents and grandparents who came to share in the assembly.
