**SUMMER TERM WILL NOW END ON
TUESDAY 25TH JULY**

(The change of date is due to Wednesday 26th July being an INSET day).

Stay
safe in
the sun

By following a few simple safety tips, we can all enjoy the warmer weather and avoid the risks of sunburn, sunstroke and skin cancer.

- Stay out of the heat between 11am and 3pm when the sun is at its hottest
- Wear light, loose-fitting clothing and a hat/scarf
- Apply sunscreen regularly - minimum factor 15. Apply 30 minutes before you go out in the sun
- Babies, children and very fair skinned people should avoid direct sunlight
- Drink plenty of cold drinks, avoiding alcohol, caffeine and sugary drinks
- Keep your home cool by keeping windows shaded and closed during the day
- Open windows at night to cool the home, if safe to do so - electric fans may help too
- Older people, particularly those with health conditions, should take additional care
- Ensure any medication is kept below 25°C
- Take extra care when planning outdoor activities such as barbecues and those around water

Welcome to our New Reception Children

On Thursday, we welcomed our new reception children, who do not attend our nursery to come and visit our school and meet all the reception staff. This was a wonderful chance for all our new children to begin to get to know us and for us to begin to get to know them.

Dear Children,

It was great to meet you and we cannot wait to get to know you better.

Lots of love,

All the staff and children.

Sharing our Faith Be Friends

On Monday in assembly, we shared the story of the Last Supper and reflected about the importance of communion. Communion means coming together.

We listened to a message for religious leaders from around the globe, who have wanted to tell everyone to come together and be friends with each other.

Our advice, they say, is to make friends with people from all religions.

In these troubled times, it is a simple and powerful message.

Let's be friends.
