General Data Protection Regulations Privacy Notice

In line with new regulations coming into force from today, a new privacy notice has been placed on the school website.

This explains what information we collect about your child, why we collect it and what we do with it such as assessment information, contact information and attendance information.

If you have any queries, please contact the school office and ask to speak to the data protection officer.

Black School Shoes

Our school uniform states that only black school shoes are permitted uniform.

During the last few weeks, more and more children have been coming to school in other shoes, some of which are very dangerous and could lead to accidents. If your child comes to school in other shoes, they may be asked to wear their school pumps during the day.

GIANT WALKING BUS

This is a national initiative led by BRAKE, the road safety charity. Each year all our children, alongside the junior children, take part in a giant walking bus. The children walk around our school grounds, along a small portion of Pilch Lane and then around the junior school grounds. They will carry posters to highlight the importance of driving slowly and safely around schools.

Thank you to all the families who have donated to the Foodbank this week.

We have been inundated by tins, cereals, pasta and tea bags.

All these goods have been gratefully received by the food bank and will be given to people in need.

Maths Problem

You have been imprisoned at the top of the Tall Tower by the Wicked Magician!

You can get out by climbing down the ladders. As you come down you collect useful spells.

You can go down the ladders and through the doorways into the adjoining room but you cannot go into the same room twice, nor climb up the ladders. The numbers in the rooms show how many spells there are in each one.

Which way should you go to collect the most spells?

And which way to collect as few as possible?

Can you find a route that collects exactly 35 spells?
