Bad Language

Young children are like sponges and absorb everything that is going on around them.

Sadly, there has been an increase in children using foul language and extreme swear words.

Please be aware of bad language which may be around your children, including on the TV and in video games and when they are out in the community.

Parking around School

As you know, the road around our school become very congested with traffic and parking is difficult. Please be respectful to our neighbours and park in a place that is safe and legal.

We have had a complaint from a neighbour as their driveway has been blocked.

Thank you for your help and cooperation.
