Phonics Bug Online Learning

All the children in our school from Reception to Year 2, are able to access stories and games on phonics bug. The stories and games are assigned individually by the class teacher so that they support each child's learning journey in reading and phonics.

Reading is the key to learning. If a child can read and understand what they are reading, they will do well in other curriculum areas. If you have lost your log in details, please ask your class teacher for a new letter.

NEW EARLY YEARS OUTSIDE PROVISION

The new early years provision is nearing completion. This has taken longer than we expected. Please do not let any children play on this equipment. It is to be used only under staff supervision.

If you have junior children, they must not play on any school equipment. They must not come onto the school site without an adult. Please remind them to be courteous to school staff and to do as they are asked or they will be asked to leave.
